Where the club enters teams to compete in Northern Athletics or National Championships in Cross Country, Road Running and Track and Field in England and a coach has not been provided we may be able to assist with travel expenses.

In Track and Field there are no team Championships at National or Northern level, entries shall be made by the individual Club athlete(s).

Car sharing must be organised wherever possible. Athletes or their parents who wish to be considered for monetary assistance should obtain a claim form from the Club Secretary and return the form to him for consideration by the General Committee.

These athletes are encouraged to compete for the Club in League matches.
